Catch the Excitement

Know It Will Matter

Open The Time Capsule

Never Look Back

**Get Ready To “ROCK ON”
Come Visit Simcoe County in 2010!
Mark your calendars NOW for the
13th Annual OASIS CONFERENCE
MAY 12 * 13 * 14 * 2010**

“Rock On” is the theme for OASIS 2010! The Simcoe County conference hosts, Simcoe Community Services, E3 Community Services Inc., Community Living Huronia, Christian Horizons, Catulpa Community Support Services and Community Living Association for South Simcoe, look forward to welcoming delegates to Blue Mountain Resorts in Collingwood.

Leadership authority, top-rated Queen’s School of Business instructor, published author, and Olympic Sports Psychologist, Dr. Peter Jensen, will join us as keynote speaker for the 2010 conference

Blue Mountain Village is the location for the 2010 conference. Visit www.bluemountain.ca/village_quickfacts.htm for information about shopping, restaurants and other activities – all found right in the village – no transportation required! Right onsite is the Monterra Golf Course where the annually anticipated golf tournament will take place. For those wishing to indulge in a more relaxing pastime, Le Scandinave Spa offers a eucalyptus steam room, dry Finnish sauna and baths where cold water plunges are alternated with hot steamy whirlpools and waterfalls.

Blue Mountain is located in the middle of ski and golf country. Other nearby attractions include:

- Eigensinn Farm a world famous restaurant, which serves an eight course fixed price dinner created from local ingredients. A four month waiting list for reservations prevails.
- The Scenic Caves and Ontario’s longest suspension bridge for those wishing to explore and hike.
- Wasaga Beach which is the world’s longest freshwater beach.
