OASIS Labour Relations Committee
Evaluation Results for November 1, 2007

The session had 23 individuals in attendance (14 agencies represented). 18 completed evaluations were received (78% response rate). The average rating for each question is underlined & highlighted at the right of the questions (the lower the score, the better evaluation). All comments submitted are listed verbatim at the end of the evaluation.

Facility

1 - The location of the session was: **2.2**

1	2	3	4	5
Very good				Major impediment to attending

1	2	3	4	5	N/A
Very helpful				Did not provide at all	

Please provide any additional comments which you believe would be of assistance to the Committee:

- **Thanks to OASIS!**
- **Room cold in am (3 X)**
- **Salty lunch**
- **Too cold to concentrate**
- **Very Salty & ironically therefore not too healthy @ a health & safety training**
- **How to give unions what they need & therefore avoid province wide bargaining**
- **Could have used more time (am session)**
- **Really appreciate OASIS & the Labour group for taking the initiative**
- **The session was great, lots of good information. Thanks!**
- **I found the info in the slides were too busy – too many bright colours can be distracting – simple is always good.**
- **Very applicable Info Session. Thanks.**
- **Both presenters were very knowledgeable.**
- **Morning session – cold have been extended (i.e. a lot of information – too little time)**
- **Union stuff in relation to March '09 & how to be proactive. Best practices on anything that affects us (practical information).**
