Please provide any additional comments which you believe would be of assistance to the Committee:

- **Great and informative event!**
- **Great to see people from other agencies**
- **the afternoon session was a little disappointing—presenter read slides—too basic**
- **morning session was more useful**
- **afternoon was much too basic and just reading the slides**
- **morning session could have been all day**
- **workshop style with more case studies to discuss would have been good**
- **we are not insured through WSIB – afternoon session was only frustrating**
- **afternoon session lacked energy of morning presenter but info was helpful. It is always challenging to generate interest when presenter merely reads slides**
- **the handouts are good. I prefer the presenter not to read word for word the handout**
- **poor presenter in afternoon session**
- **the afternoon session was poorly prepared seemed to be a lack of knowledge of our particular sector**
- **the morning session was very impressive and though provoking for further review**
- **the WSIB presenter did not seem to understand our service sector. Just read the slides was not the best presenter.**
- **the morning speaker was much more engaging knowledgeable and professional.**
- **WSIB, as you may be aware, I can read I know you were as disappointed as I was afternoon session very basic, could have read the slides ourselves**
- **lack of lunch for vegetarians**
- **food was excellent, best I have had at any session so far!**
- **poor presenter in the afternoon session but good information**
- **somewhat dark--- lighting not conducive to alertness**
